VALIDITÀ LISTINO

Il presente listino annulla tutte le precedenti quotazioni, in qualsiasi forma applicate o stabilite, e può essere variato senza preavviso. Prezzi espressi in Euro. I nostri rapporti saranno regolati sul prezzo netto I.V.A. esclusa. I dati tecnici contenuti nel presente listino sono indicativi e non impegnativi. La Ditta TAGLIABUE si riserva il diritto di apportare in qualsiasi momento senza preavviso, tutte quelle modifiche che ritenga opportune per il miglioramento del prodotto. I prezzi degli elementi possono subire variazioni, dovute ad arrotondamenti di prezzo dei singoli componenti.

VALIDITY OF PRICE LIST

This price list nullifies all other previous quotations, in any form applied or established and can be varied without notice. Price are expressed in Euro. Our commercial terms will be regulated on the net price VAT excluded. The technical data contained in the present price list are indicative and not binding. The firm TAGLIABUE retain the right to make at any time without prior notice, all changes they deem necessary to improve the product. Prices of elements may undergo variations, due to rounding off of prices of single components.

TERMINI DI CONSEGNA

I termini di consegna esposti nelle conferme d'ordine hanno unicamente valore indicativo. Non si accettano penalità nè responsabilità per ritardata consegna.

DELIVERY TERMS

Delivery terms written on the confirmation order are wholly indicative. Penalties or responsibility for late delivery will not be accepted.

CONSEGNE, TRASPORTI E RECLAMI

Per consegne nazionali con importo netto inferiore a verrà applicato in fattura un contributo spese di trasporto che varia in base alla destinazione della merce. Per consegne internazionali la merce è sempre franco fabbrica.
Eventuali reclami dovranno essere inoltrati alla Ditta entro 8 giorni dal ricevimento della merce. In ogni caso è da escludere qualsiasi indennizzo per eventuali danni o differenze riscontrate.

DELIVERY, TRANSPORT AND COMPLAINTS

For national deliveries with a net value of less than a trasport cost surcharge wil be applied to the invoice, which varies depending on the destination of the goods. For international deliveries, goods are always ex works. Any complaints must be made to the Company within 8 days from receipt of the goods. In any case compensation is excluded for any damage or differences noted.

TOLLERANZE

Non si garantisce l'uniformità di venature delle "essenze" nell'abbinamento tra i diversi pezzi. I campionari di colori sono soltanto indicativi non essendo possibile tecnicamente assicurare la costanza di tinta nel tempo.
Il committente conferendo l'ordine accetta tali tolleranze.

TOLERANCE

It is impossible to guarantee the uniformity of the grain effect in matching various pieces. The colour samples are purely indicative as it is not technically possible to guarantee a consistent staining over the course of time. The purchaser, at the time of ordering, agrees to accept these tolerances.

RESI

Eventuali resi dovranno essere preventivamente autorizzati dall'azienda; si terrà conto, in questi casi delle spese sostenute dalla Ditta venditrice.

RETURNED GOODS

Eventual returned goods must be authorized by the firm; in these cases the costs sustained by the seller will be taken into consideration.

PAGAMENTI

Nessuna contestazione da parte del compratore potrà giustificare rifiuti o ritardi nel pagamento.
Il ritardo del pagamento anche di una sola rata, autorizza la Ditta TAGLIABUE a chiedere il totale pagamento con l'addebito degli interessi di mora applicati al tasso bancario vigente. La merce consegnata rimane di proprietà della Ditta fornitrice sino al pagamento totale da parte del committente.

DELAY OF PAYMENT

No complaint on behalf of the buyer can justify the refusal or the delay o payment.
Delay in payment, even of a single rate will authorize the firm TAGLIABUE to claim the total payment with the application of interest in arrears, charged with the bank rate in force at the time. The goods delivered will remain property of the supplier until total payment on behalf of the purchaser.

FORO COMPETENTE

Per qualsiasi contestazione sarà competente il Foro di Monza.

PLACE OF JURISDICTION

Any dispute will be the jurisdiction of the Forum of Monza.

Tagliabue Mobili, fondata nel 1963 grazie all'intuizione imprenditoriale dei quattro fratelli Tagliabue, è oggi guidata dalla terza generazione. L'azienda si distingue come una realtà italiana altamente competitiva nel settore artigiano/industriale del mobile.

Da oltre 60 anni, pur mantenendo una realtà familiare e l'impronta di artigianalità che ha radici brianzole, Tagliabue Mobili si impegna costantemente nella crescita e nell'affermazione del marchio. Fortemente legata al territorio della Brianza, l'azienda con i suoi 20000mq, di cui 14000 di produzione, è in continua evoluzione con macchinari sempre all'avanguardia e l'adozione di soluzioni innovative per migliorare l'efficienza energetica e aumentare l'uso di materiali eco-compatibili.

Tagliabue Mobili trasforma l'impegno per la sostenibilità in bellezza tangibile, scegliendo il Pannello Ecologico®, frutto di un processo produttivo di economia circolare che preserva gli alberi e tutela la natura, per dare forma a ogni progetto.

Tagliabue Mobili, founded in 1963 thanks to the entrepreneurial vision of the four tagliabue brothers, is now led by the third generation. The company stands out as a highly competitive italian player in the artisanal/ industrial furniture business.

For over 60 years, while maintaining its family-run nature, and without renouncing the stamp of craftsmanship deeply rooted in brianza, tagliabue mobili has been consistently committed to growing and establishing its brand. With its strong ties to the brianza area, the company - with premises covering 20,000 sq.m., including 14,000 devoted to production - is continuously evolving with cutting-edge machinery, the adoption of innovative solutions to improve energy efficiency and increase the use of eco-friendly materials.

Tagliabue Mobili turns its commitment to sustainability into tangible beauty, choosing Ecological Panel®, the result of a circular economy process that preserves trees and respects nature, to shape every project.
